

(b) whether they are aware that the above railway line is absolutely necessary in view of the fact that a Cement Factory is to be established in Hosadurga and a Sugar Factory at Hiriur ?

A.—Sri K. MALLAPPA (Minister for Industries and Commerce).—

(a) Yes.

(b) Yes.

Quota of Sugar Allotted to each District.

*Q.—487. Smt. SUSHILA BAI SHAH (Bagewadi).—

Will the Government be pleased to state ;—

(a) the quota of sugar allotted to each district per month in the State ;

(b) the quota of sugar distributed in rural areas as against the urban areas per month ;

(c) the quantity of sugar supplied per adult and child every month in urban areas ;

(d) the quantity of sugar supplied per adult and child every month in rural areas ?

A.—Sri M. V. KRISHNAPPA (Minister for Revenue).—

(a) The appended statement shows the quota of sugar allotted to each district per month from March 1964 to February 1965.

(b) Allotment of sugar is made to Districts with reference to the quota of sugar allotted to the State by the Government of India and taking into consideration the local conditions and requirements.

(c) and (d) The requirements of sugar are worked out on the basis of the following formula :

(a) $1\frac{1}{2}$ lb. per head per month for urban areas,

(b) $\frac{1}{4}$ lb. per head per month for rural areas,

and if adequate quantities of sugar were available the allotments to the Districts would have been made on this basis. As the quota allotted to this State by the Government of India is not sufficient to meet the full requirements of both urban and rural areas in the State on the basis indicated above, the distribution is made on the basis of the availability of stocks, the off takes when controls were in force previously and the local requirements keeping in view the formula mentioned above.

STATEMENT.

Showing the Allotment of Sugar made to several Districts commencing from the 23rd March 1964 to 23rd February 1965—(In Tonnes).
